## Global and Korean Air Cargo Trends

Quick to return cargo capacity to the market after Christmas

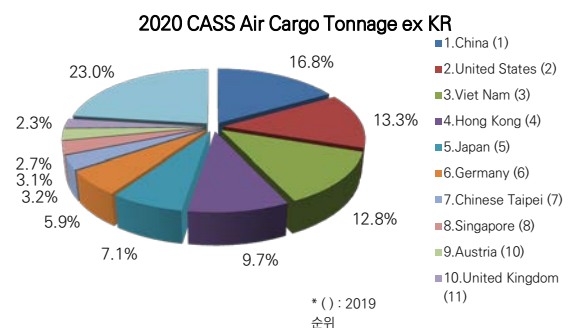

According to Seabury, from December 28 to January 10, freighter capacity was up 33% year on year, express capacity gained 27% and belly space was down 61%.

In Korea, ICN airport is showing an increase in international cargo even into the new year, and even after

the first week of Jan, the international cargo volume continued to increase by double digits. From 1Jan to 10, international cargo through ICN airport was 69,329 tons. It increased by 10.1% from 62,965 tons in Jan of last year.

According to CASS statistics, exports to China were the most in 2020, followed by the United States, Vietnam, Hong Kong, Japan, and Germany, and there was no change in the rankings compared with 2019. [CASS]
