## Global and Korean Air Cargo Trends

### Global Air Cargo Demand Increase in Jan, 2021

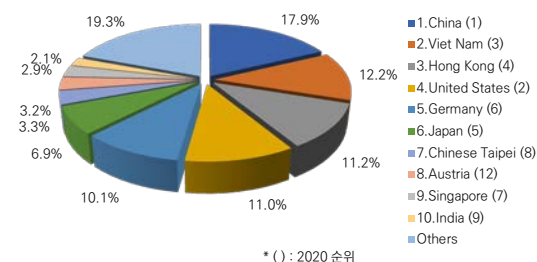

Air cargo demand in Jan matched the performance of a year ago – the first month since the start of the pandemic not showing a year-on-year decline. Figures from WorldACD show that while demand was flat compared with a year ago, airfreight rates increased by around 75% year on year, although they were down on Dec levels. Worldwide load factor was up by 17% year on year, but dropped 2% compared with Dec.

The outstanding performers in Jan were virtually all to be found in the Asia Pacific region, “The area as a whole improved by 12% YoY outgoing and 14% incoming. The origins Vietnam and Japan each increased their outgoing volumes by more than 30%, closely followed by Taiwan (+25%).

It added that express, high tech and general cargo were the product categories showing the largest volume growth compared with a year ago — express was 40% up.[WorldACD]

### Korea's export air cargo ratio by country

In Jan 2021, the air export volume by country was the highest ratio in China, followed by Vietnam, Hong Kong, and the United States in that order, and the total volume of exports in the Top 10 countries accounted for 80.7% of the total according to CASS statistics. [CASS]

### Corona blue, foods to help reduce anxiety

As Corona 19 persists, outside activities are limited, interactions between people decline, and more and more people complain of depression and anxiety like Corona Blue. Here are some foods that can help reduce this anxiety!

- ① Walnut : It contains a fatty acid called linolenic acid, which lowers blood pressure and relieves stress and anxiety.
- ② Banana : It contains tryptophan, an essential amino acid, that helps make serotonin that makes you feel happy and makes you feel better.
- ③ Herbal tea : Lavender is used to relieve symptoms of insomnia and depression because it has a calming effect on the body and mind. Chamomile is also widely used as a sleep aid because of its neuro-stabilizing properties.
